## Project sheet

Call for the implementation of some activities, foreseen by the functions defined by art. 34 of Legislative Decree 152 of 3 April 2006, on the implementation of the National Sustainable Development Strategy

TENDER NOTICE OF APRIL 24th, 2018

## Project summary - FOSSIL FREE AWARENESS FOR ACTION

<b>Purpose of the announcement:</b> To develop activities and initiatives aimed at disseminating and raising awareness on the issues of sustainable development and/or the circular economy.		
<b>Beneficiary:</b> Economia e Sostenibilità – Cultural Association (Milan)		
<b>Duration</b>	12 months	
	<b>Start date of activity:</b> 02/2019	<b>End date of activity:</b> 01/2020
<b>Specific objective</b>	The aim of the project was to stimulate greater sensitivity in the main socio-economic subjects and administrations involved on decarbonisation, disseminating the most relevant scientific data and connecting them with the possible changes in behaviour by each of the recipients, (citizens, businesses, local administrations)	
<b>Description of the activities</b>	Action 1. Organization of the conference which focused on the environmental and social sustainability of local food systems  Action 2. Research on Lombard industry and finance from the point of view of economic and financial sustainability, analyzing data relating to regional engineering production, relating them to the research policies of the European Union regarding the relationship between prosperity, social equity and impact in terms of CO2 emissions. The balance sheet data of Lombard engineering companies were also analyzed, relating added value, labor costs, employment, intangible investments, environmental research and development.	

	<p>Action 3. Awareness raising event within the “Estate Sforzesca 2019” program, to present a work on <i>Lifestyle towards fossil free</i>.</p>
	<p>Action 4. Organization of the conference on the theme “Increase wealth, decrease CO2. Industry and finance to the climate challenge.</p>
<p><b>Output</b></p>	<ul style="list-style-type: none"><li>• Involvement of 200 people at the conference organized at the Milan State University on June 27th, 2019</li><li>• Involvement of 300 people in the awareness event within the "Estate Sforzesca 2019" program to present a work on <i>Lifestyle towards fossil free</i></li><li>• Production of 4 working papers</li></ul>
