

***Anacamptis pyramidalis*** (Linnaeus) L. C. M. Richard

(testo pag. 2 - areale pag. 184)

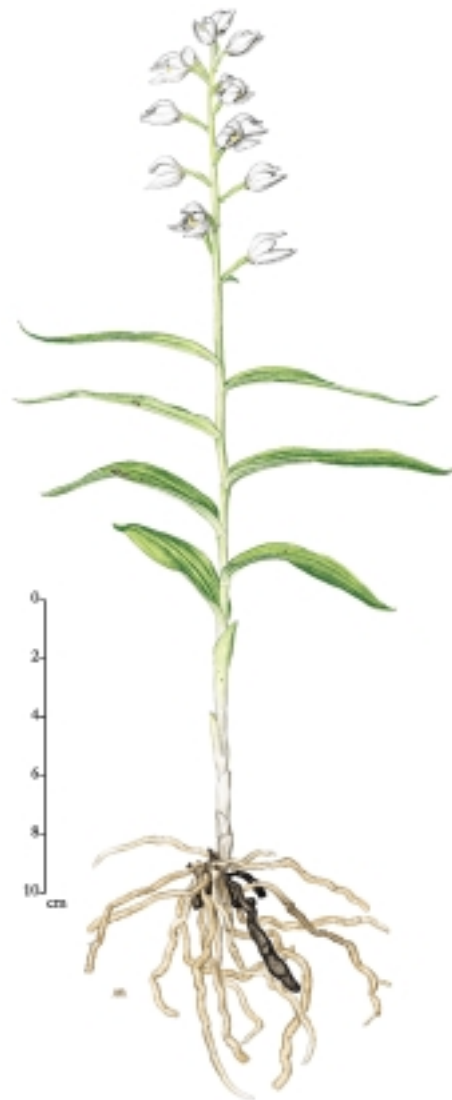

***Barlia robertiana*** (Loiseleur) Greuter

(testo pag. 2 - areale pag. 184)

***Cephalanthera damasonium* (Miller) Druce**

(testo pag. 3 - areale pag. 184)

***Cephalanthera longifolia* (Linnaeus) Fritsch**

(testo pag. 3 - areale pag. 184)

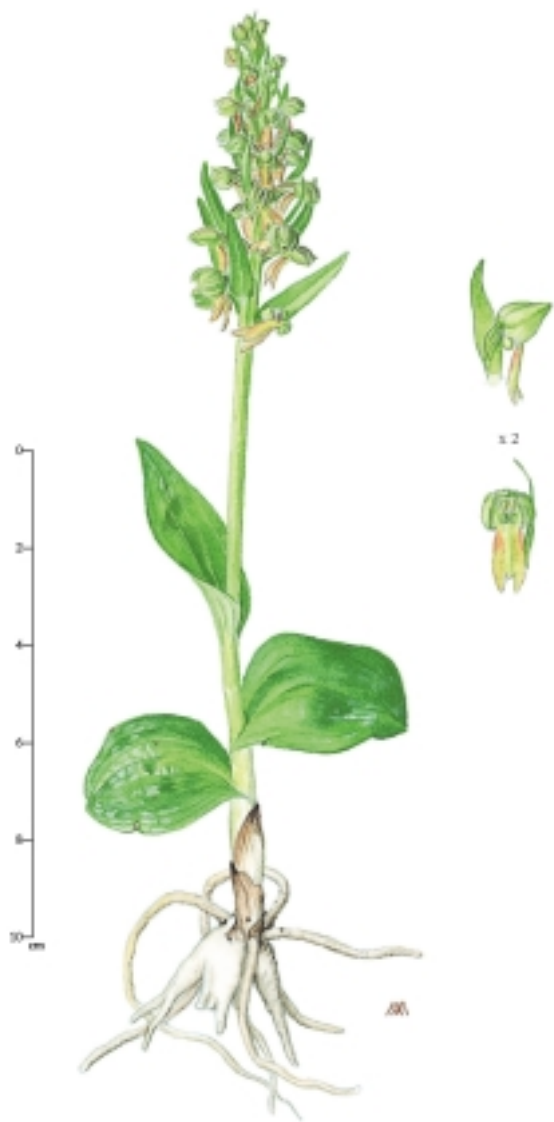

***Cephalanthera rubra*** (Linnaeus) L. C. M. Richard

(testo pag. 4 - areale pag. 185)

***Chamorchis alpina*** (Linnaeus) L. C. M. Richard

(testo pag. 4 - areale pag. 185)

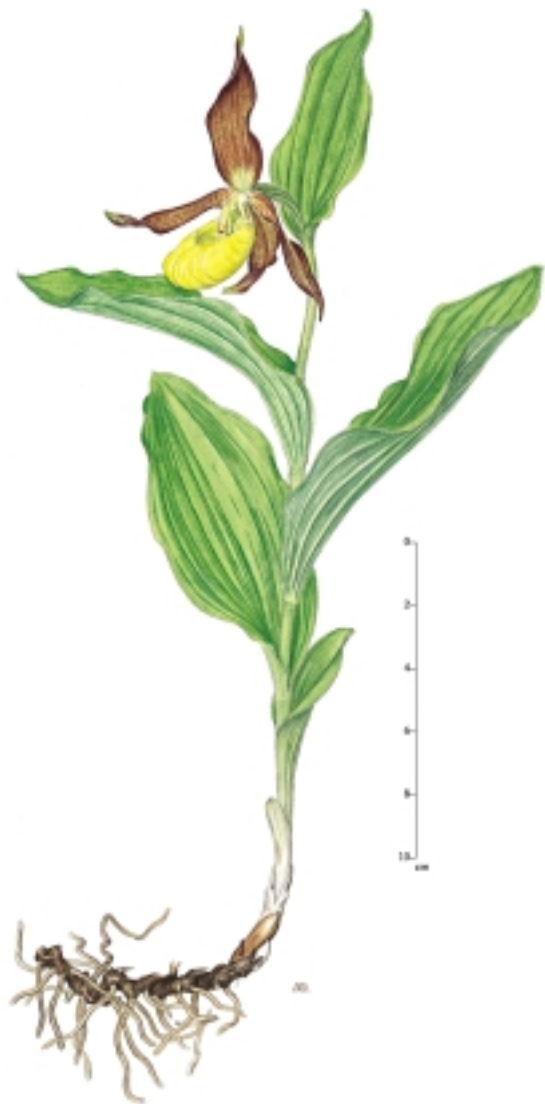

***Coeloglossum viride* (Linnaeus) Hartmann**

(testo pag. 5 - areale pag. 185)

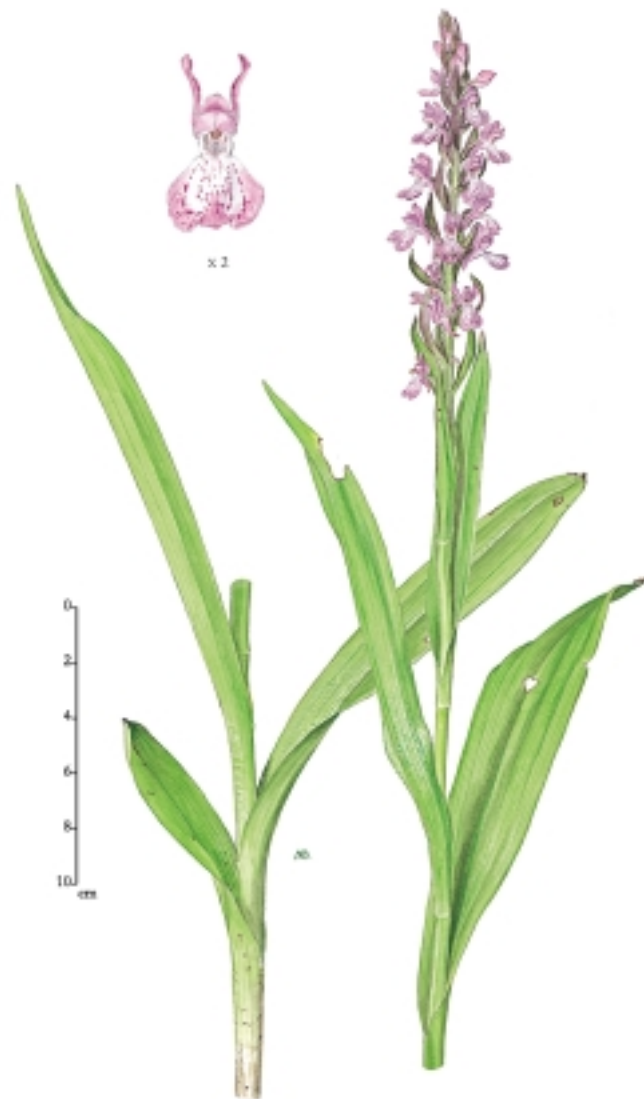

***Corallorhiza trifida* Châtelain**

(testo pag. 5 - areale pag. 185)

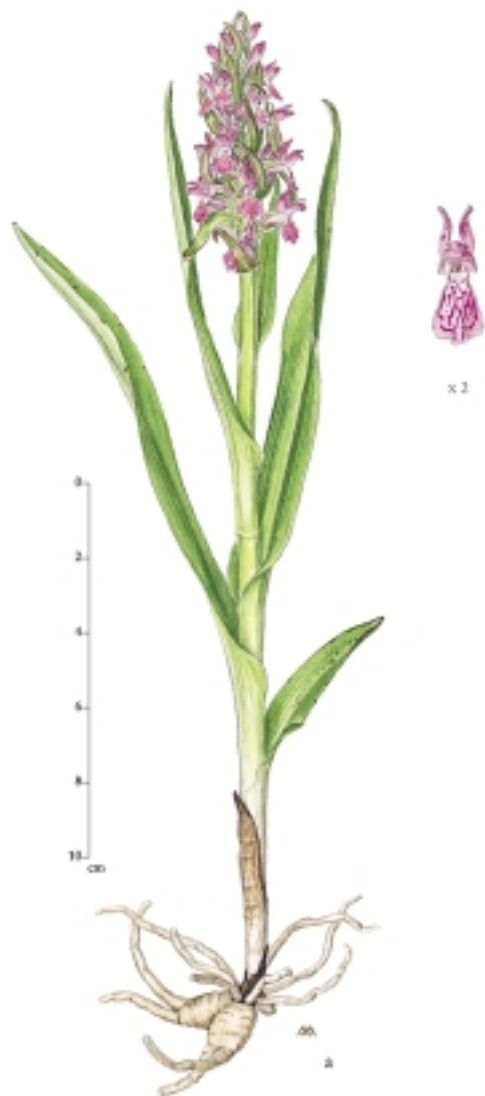

*Cypripedium calceolus* Linnaeus

(testo pag. 6 - areale pag. 186)

*Dactylorhiza elata* (Poiret) Soó

(testo pag. 6 - areale pag. 186)

***Dactylorhiza incarnata* (Linnaeus) Soó**

(testo pag. 7 - areale pag. 186)

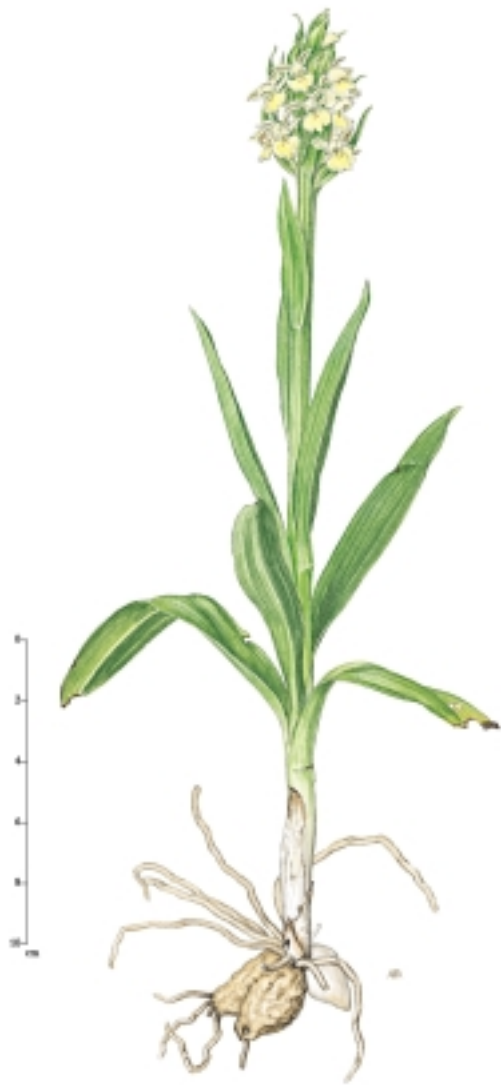

a. forma tipica, Alpi Apuane, Toscana

b. forma ***haematodes***, Valle del Caffaro, Lombardia

c. forma ***hyphaematodes***, Carbonare di Folgaria, Trentino

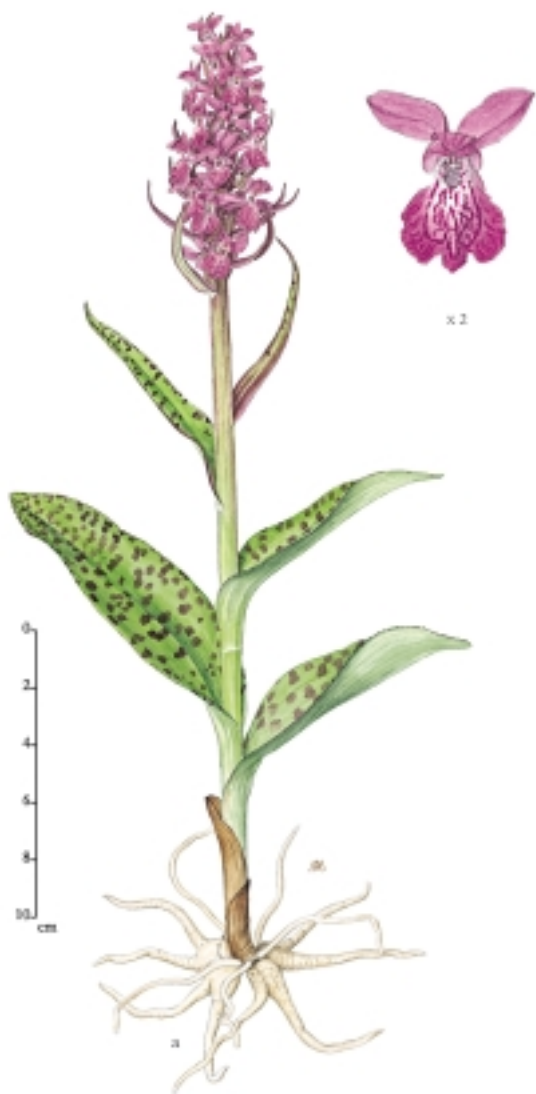

d. forma ***cruenta***, Passo del Tonale, Lombardia

***Dactylorhiza insularis*** (Sommier) Landwehr  
(testo pag. 7 - areale pag. 186)

***Dactylorhiza maculata*** (Linnaeus) Soó  
(testo pag. 8 - areale pag. 187)

***Dactylorhiza majalis*** (Reichenbach)

P. F. Hunt et Summerhayes

(testo pag. 8 - areale pag. 187)

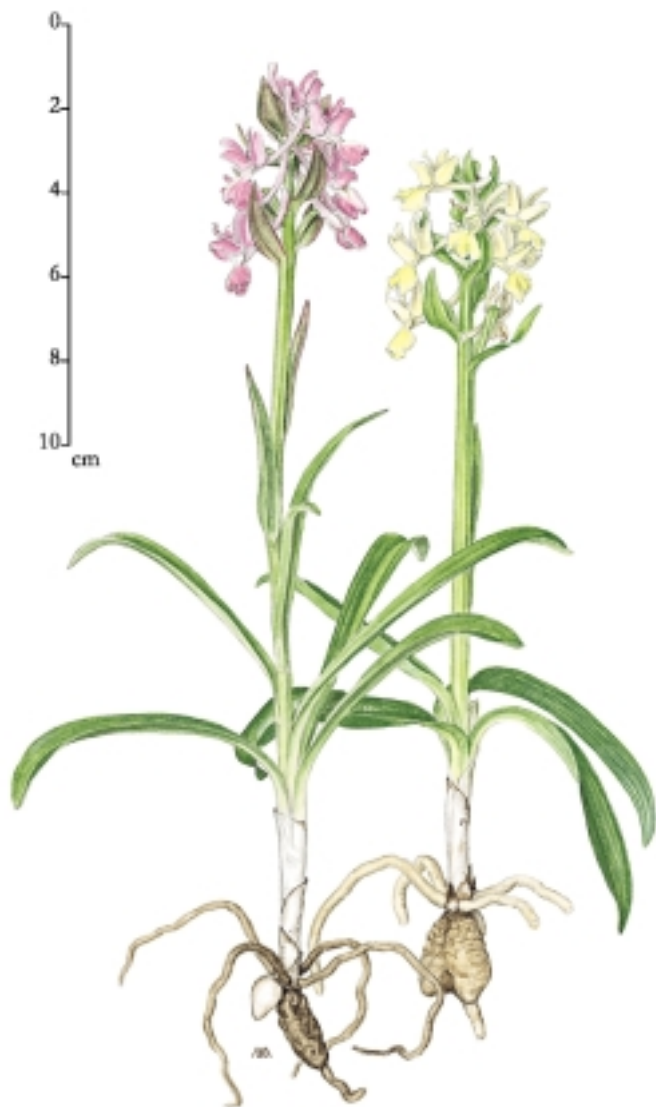

a. forma tipica, Alpe di Siusi, Alto Adige

b. forma ***lapponica***, Carbonare di Folgaria, Trentino

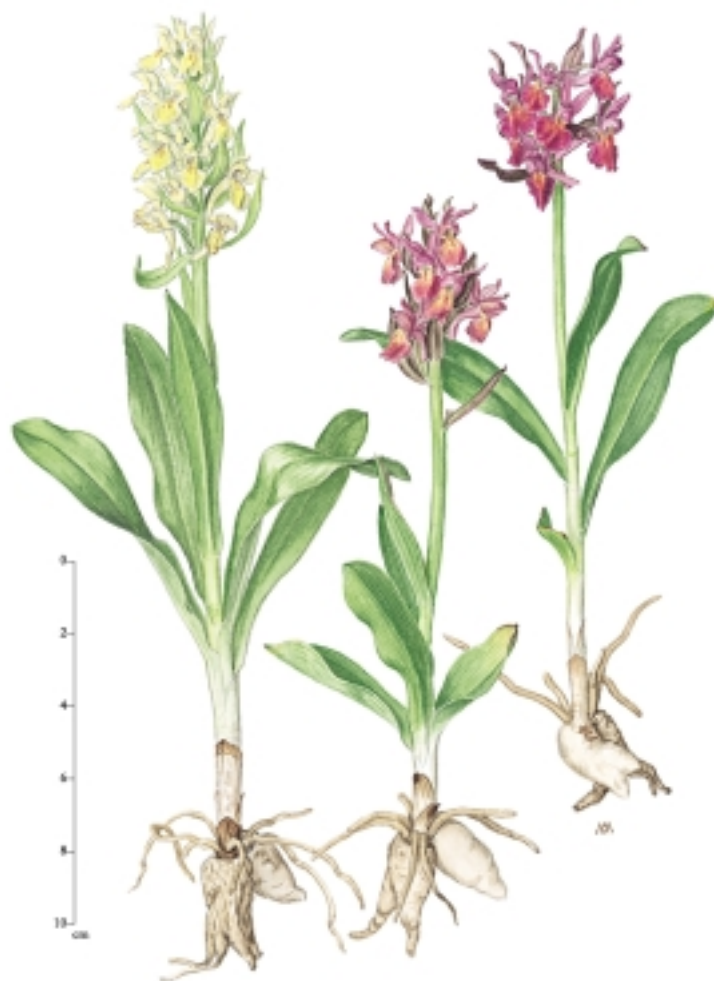

c. forma ***traunsteineri***, Civezzano, Trentino

***Dactylorhiza romana* (Sebastiani) Soó**

(testo pag. 9 - areale pag. 187)

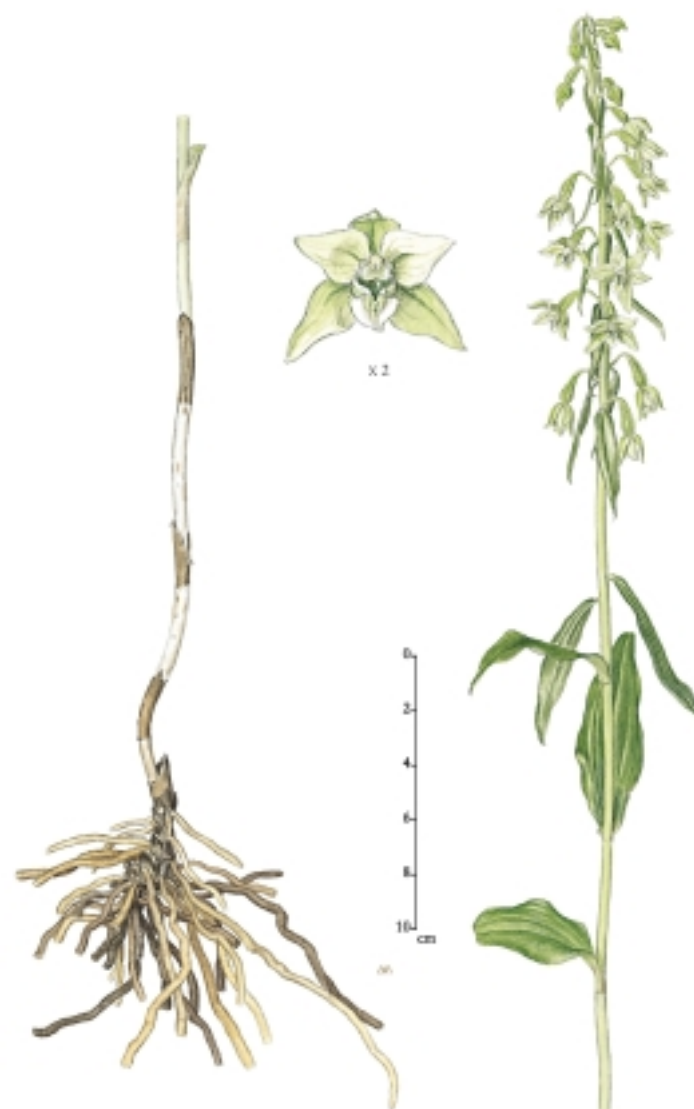

***Dactylorhiza sambucina* (Linnaeus) Soó**

(testo pag. 9 - areale pag. 187)

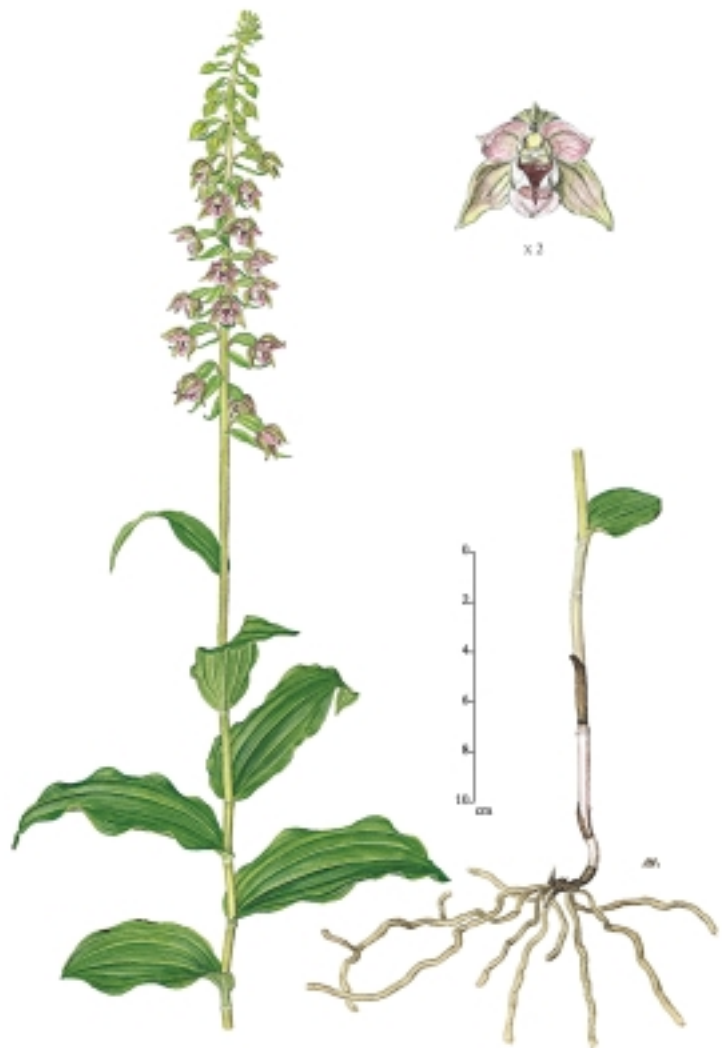

*Epipactis atrorubens* (Hoffmann ex Bernhadi) Besser

(testo pag. 10 - areale pag. 188)

*Epipactis flaminia* P. R. Savelli et Alessandrini

(testo pag. 10 - areale pag. 188)

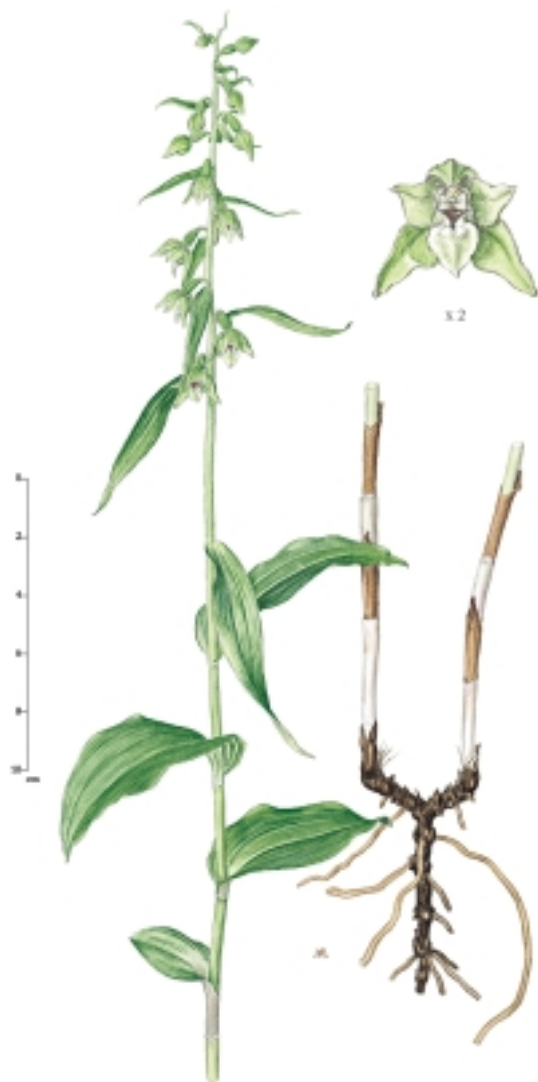

***Epipactis helleborine*** (Linnaeus) Crantz

(testo pag. 11 - areale pag. 188)

***Epipactis helleborine*** (Linnaeus) Crantz  
subsp. ***tremolsii*** (Pau) E. Klein

(testo pag. 11)

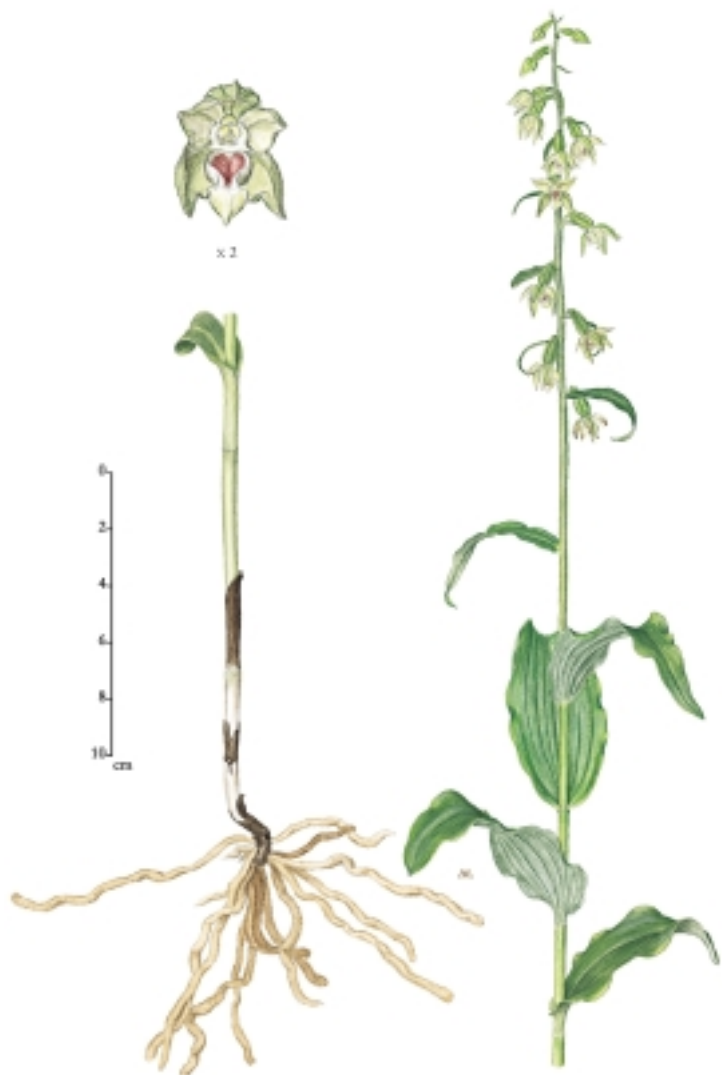

***Epipactis leptochila*** (Godfery) Godfery  
subsp. ***neglecta*** Kumpel

(testo pag. 11)

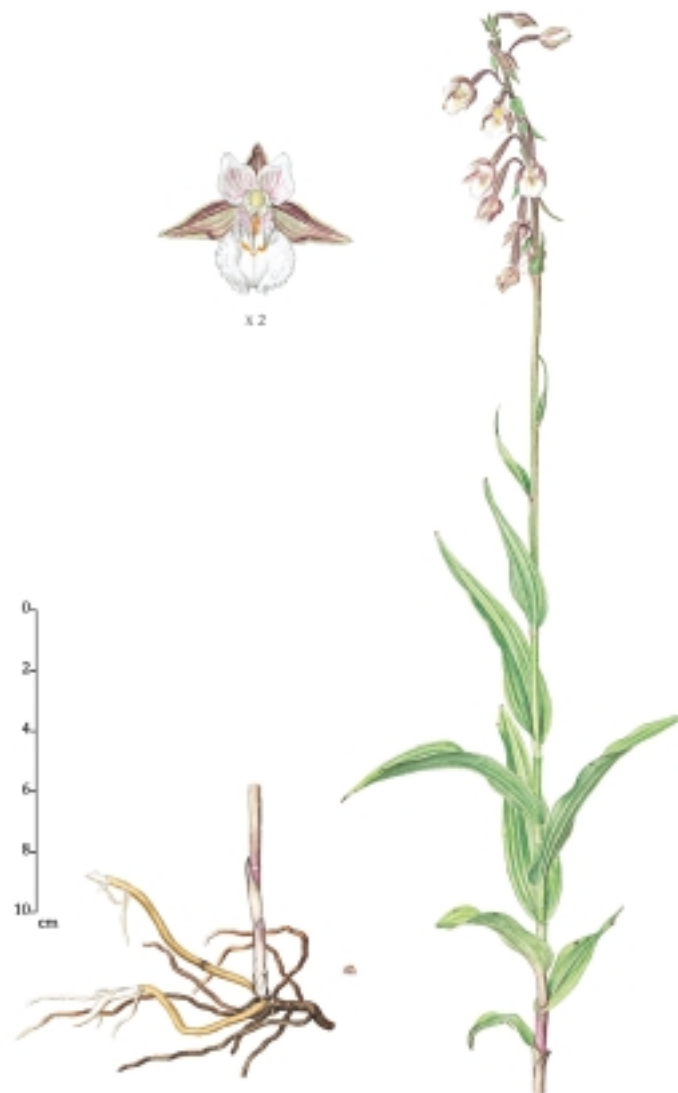

***Epipactis microphylla*** (Ehrhardt) Swartz

(testo pag. 12 - areale pag. 188)

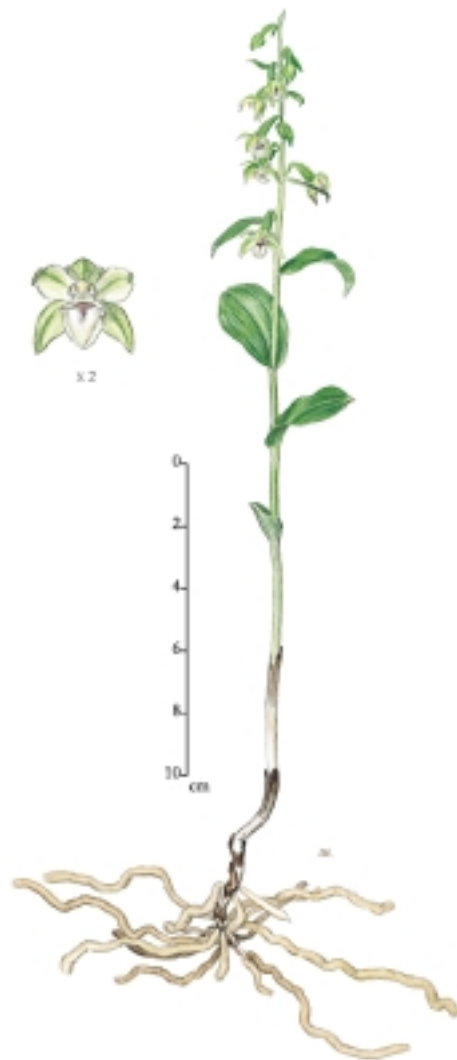

*Epipactis muelleri* Godfery

(testo pag. 12 - areale pag. 189)

*Epipactis palustris* (Linnaeus) Crantz

(testo pag. 13 - areale pag. 189)

***Epipactis persica* (Soó) Nannfeldt**  
 subsp. ***gracilis* W. Rossi**  
 (testo pag. 13 - areale pag. 189)

***Epipactis placentina* Bongiorno et Grünanger**  
 (testo pag. 14 - areale pag. 189)

***Epipactis purpurata* J. E. Smith**

(testo pag. 14 - areale pag. 190)

***Epipogium aphyllum* Swartz**

(testo pag. 15 - areale pag. 190)

***Gennaria diphylla* (Link) Parlatore**

(testo pag. 15 - areale pag. 190)

***Goodyera repens* (Linnaeus) R. Brown**

(testo pag. 16 - areale pag. 190)

***Gymnadenia conopsea*** (Linnaeus) R. Brown

(testo pag. 16 - areale pag. 191)

***Gymnadenia odoratissima*** (Linnaeus) L. C. M. Richard

(testo pag. 17 - areale pag. 191)

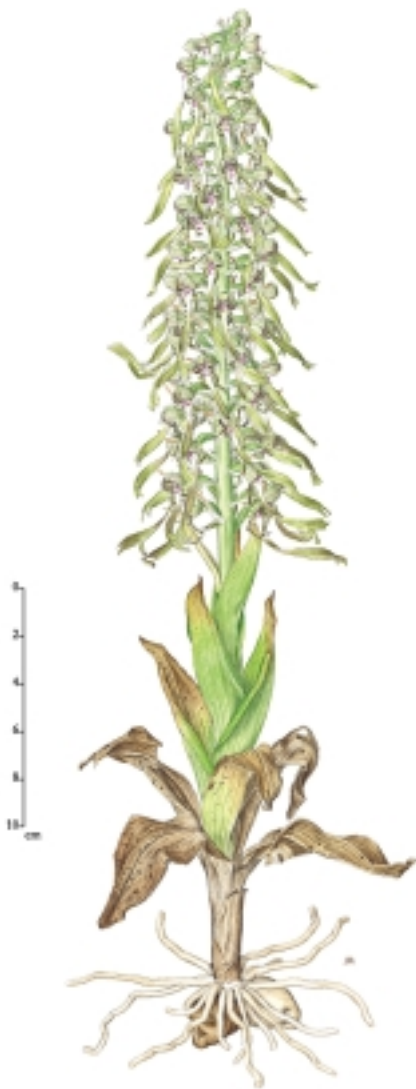

***Hammarbya paludosa*** (Linnaeus) Kuntze

(testo pag. 17 - areale pag. 191)

***Herminium monorchis*** (Linnaeus) R. Brown

(testo pag. 18 - areale pag. 191)

***Himantoglossum hircinum*** (Linnaeus) Sprengel  
subsp. ***hircinum***

(testo pag. 18 - areale pag. 192)

***Himantoglossum hircinum*** (Linnaeus) Sprengel  
subsp. ***adriaticum*** (H. Baumann) H. Sundermann

(testo pag. 18 - areale pag. 192)

***Limodorum abortivum*** (Linnaeus) Swartz

(testo pag. 19 - areale pag. 192)

***Limodorum brulloi*** Bartolo et Pulvirenti

(testo pag. 19 - areale pag. 192)

***Limodorum trabutianum*** Battandier

(testo pag. 20 - areale pag. 193)

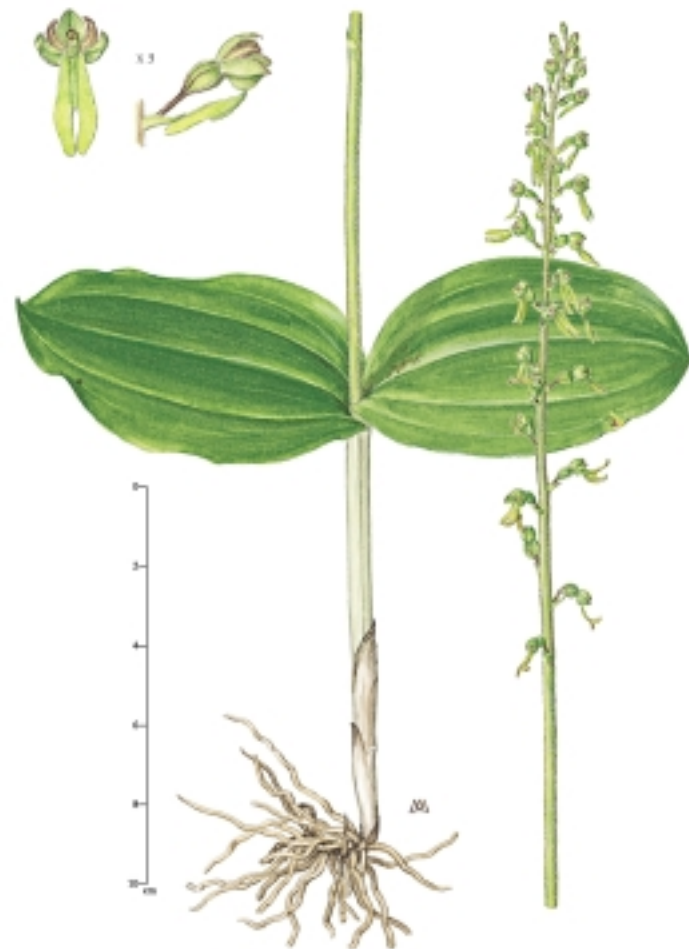

***Liparis loeselii*** (Linnaeus) L. C. M. Richard

(testo pag. 20 - areale pag. 193)

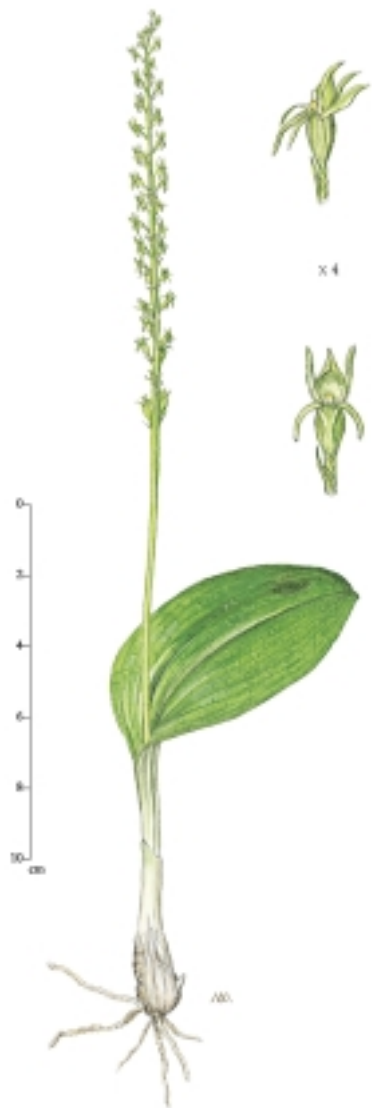

***Listera cordata* (Linnaeus) R. Brown**

(testo pag. 21 - areale pag. 193)

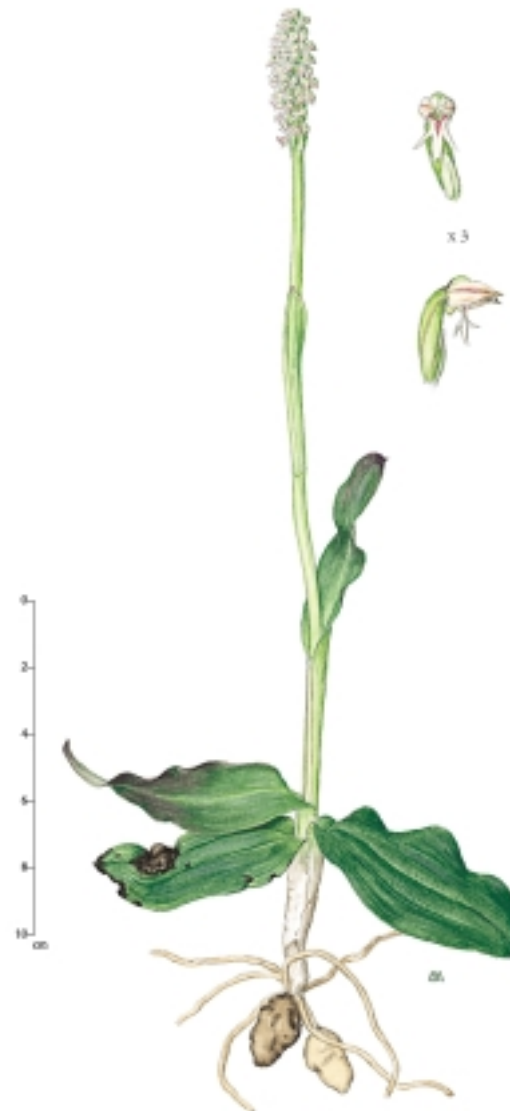

***Listera ovata* (Linnaeus) R. Brown**

(testo pag. 21 - areale pag. 193)

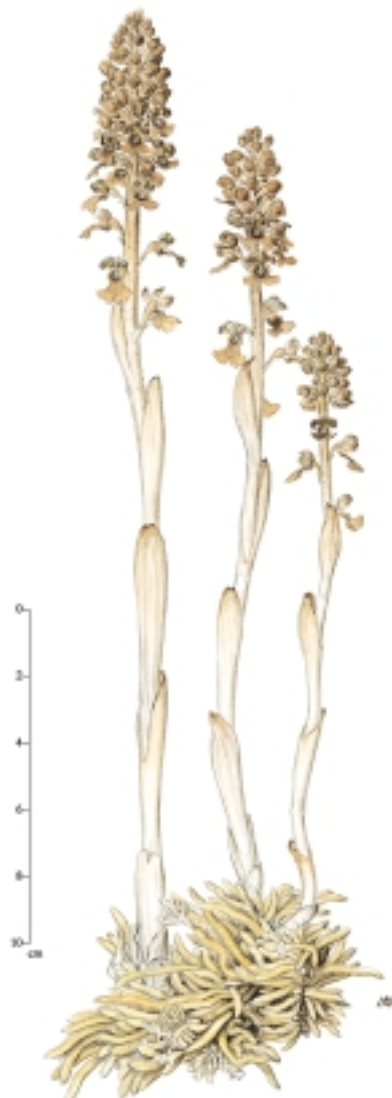

***Malaxis monophyllos*** (Linnaeus) Swartz

(testo pag. 22 - areale pag. 194)

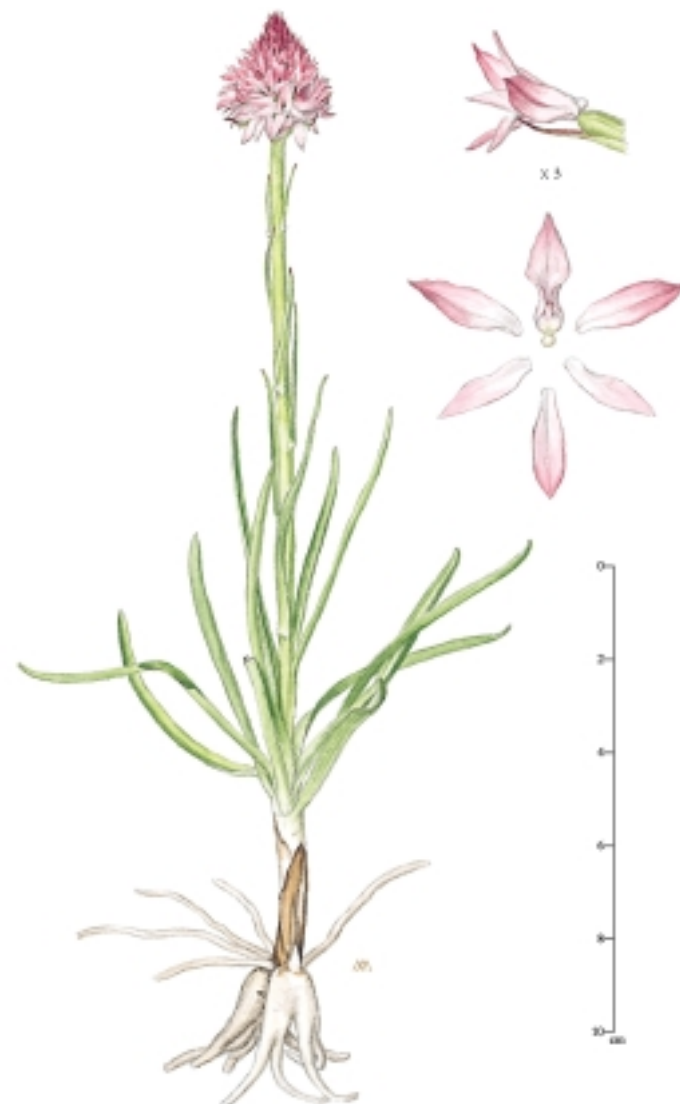

***Neotinea maculata*** (Desfontaines) Stearn

(testo pag. 22 - areale pag. 194)

***Neottia nidus-avis*** (Linnaeus) L. C. M. Richard

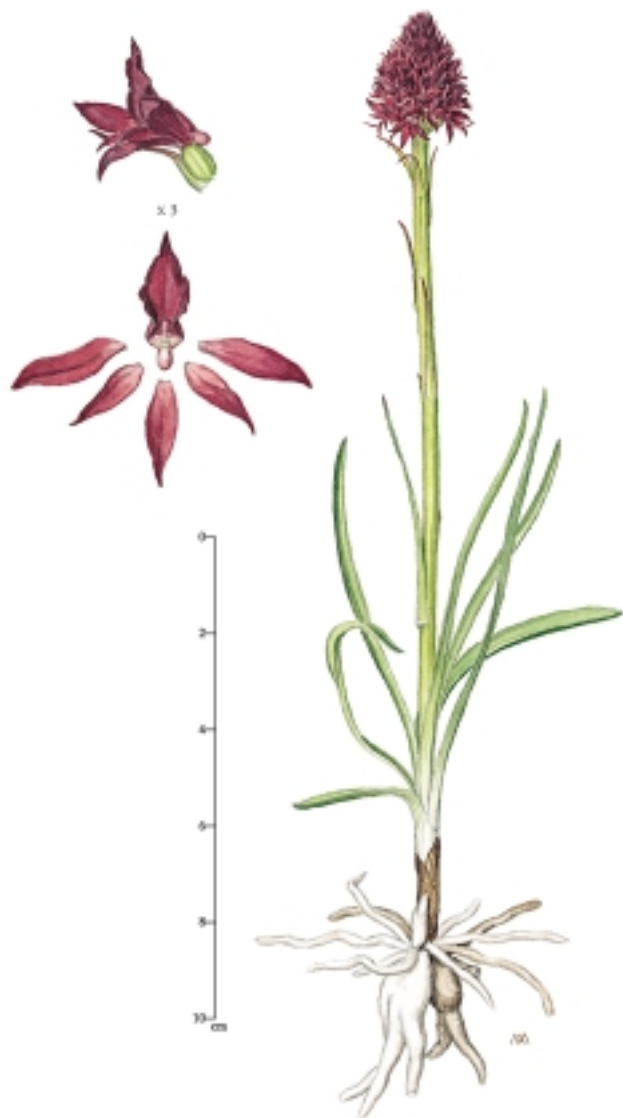

(testo pag. 23 - areale pag. 194)

***Nigritella corneliana*** (Beauverd) Götz et H. R. Reinhard

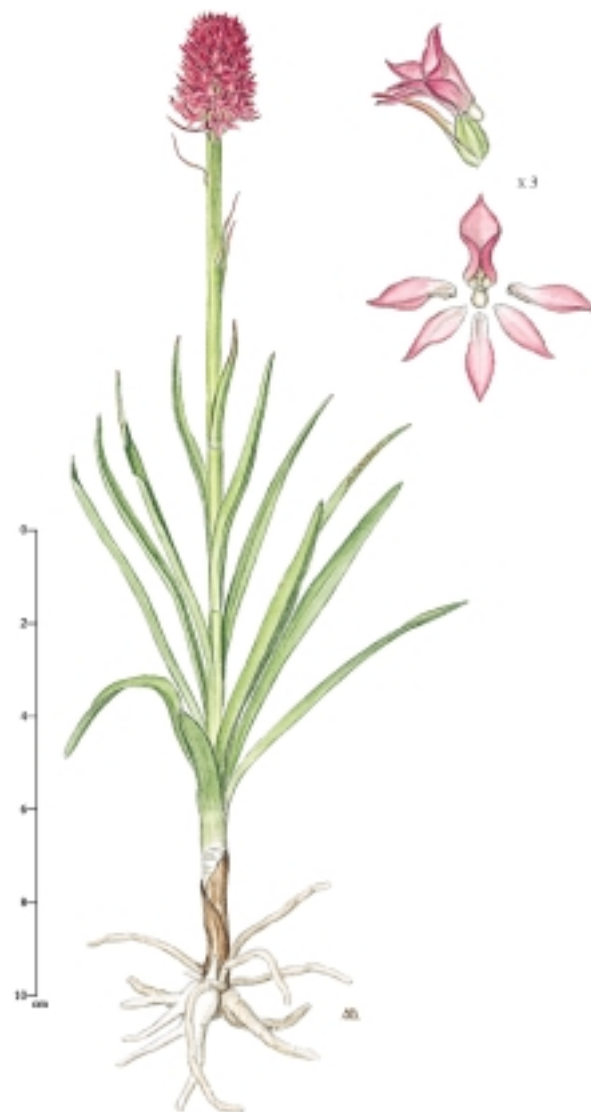

(testo pag. 24 - areale pag. 194)

*Nigritella rhellicani* Teppner et E. Klein

(testo pag. 25 - areale pag. 195)

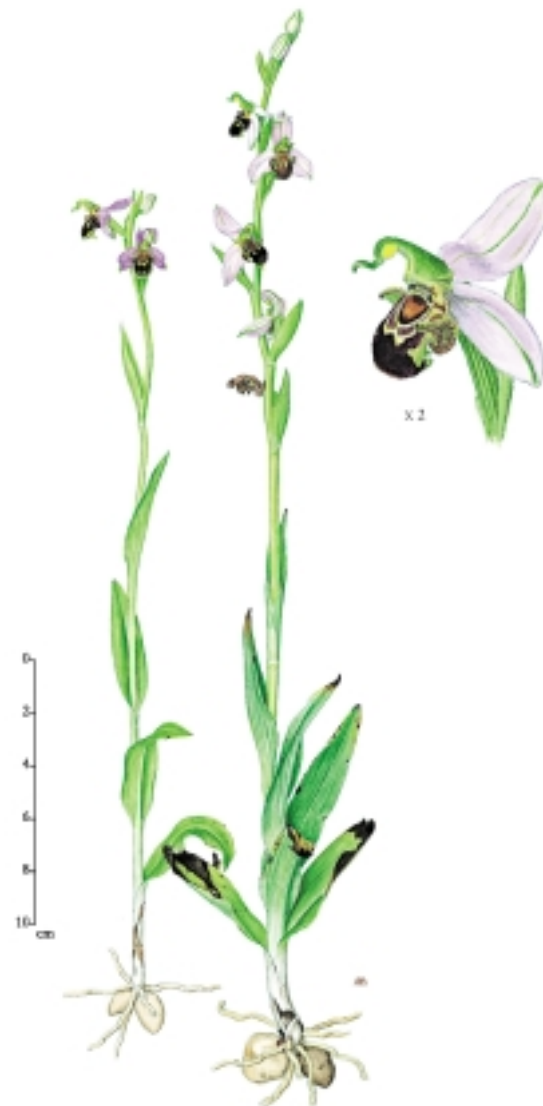

*Nigritella rubra* (Wettstein) K. Richter

(testo pag. 25 - areale pag. 195)

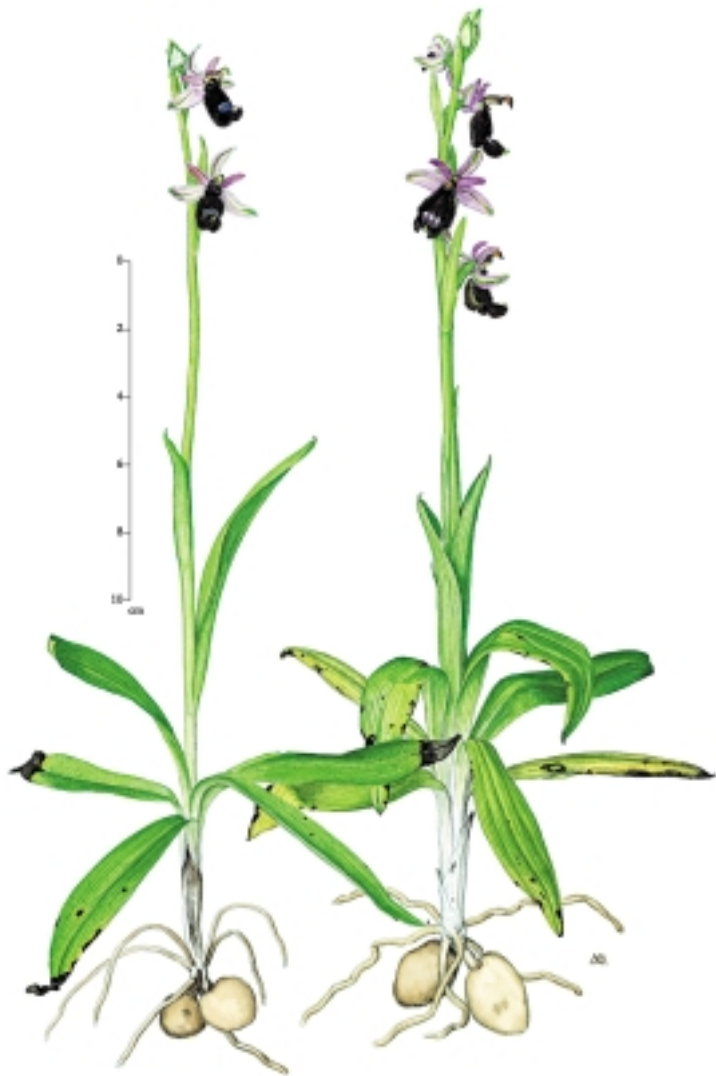

***Nigritella widderi*** Teppner et E. Klein

(testo pag. 26 - areale pag. 195)

***Ophrys apifera*** Hudson

(testo pag. 26 - areale pag. 195)

***Ophrys bertolonii* Moretti**

(testo pag. 27 - areale pag. 196)

***Ophrys bertoloniiiformis* O. et E. Danesch  
subsp. *bertoloniiiformis***

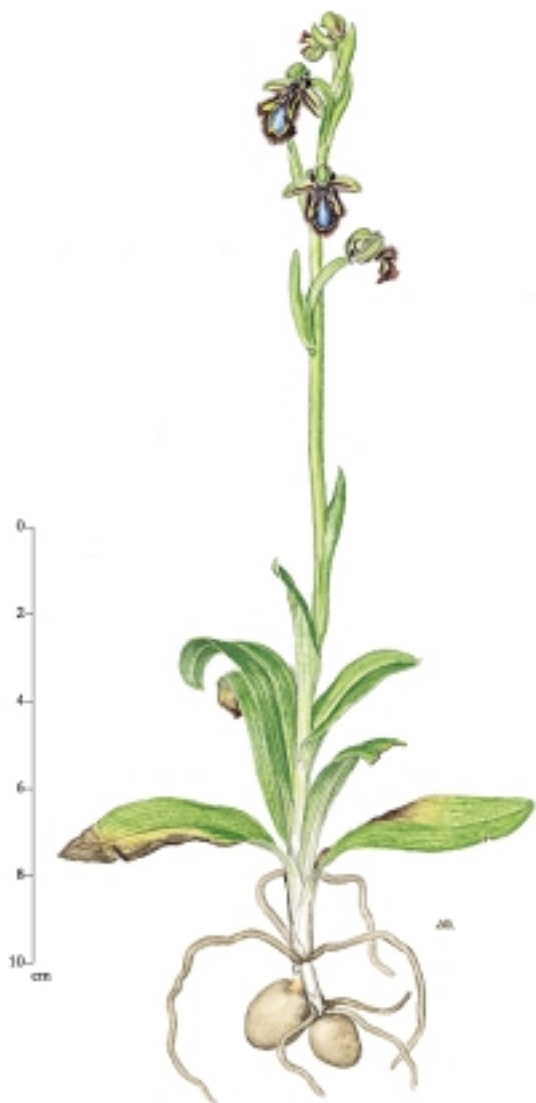

(testo pag. 27 - areale pag. 196)

*Ophrys bertoloniiformis* O. et E. Danesch  
subsp. *benacensis* Reisigl  
(testo pag. 27 - areale pag. 196)

*Ophrys bombyliflora* Link  
(testo pag. 28 - areale pag. 196)

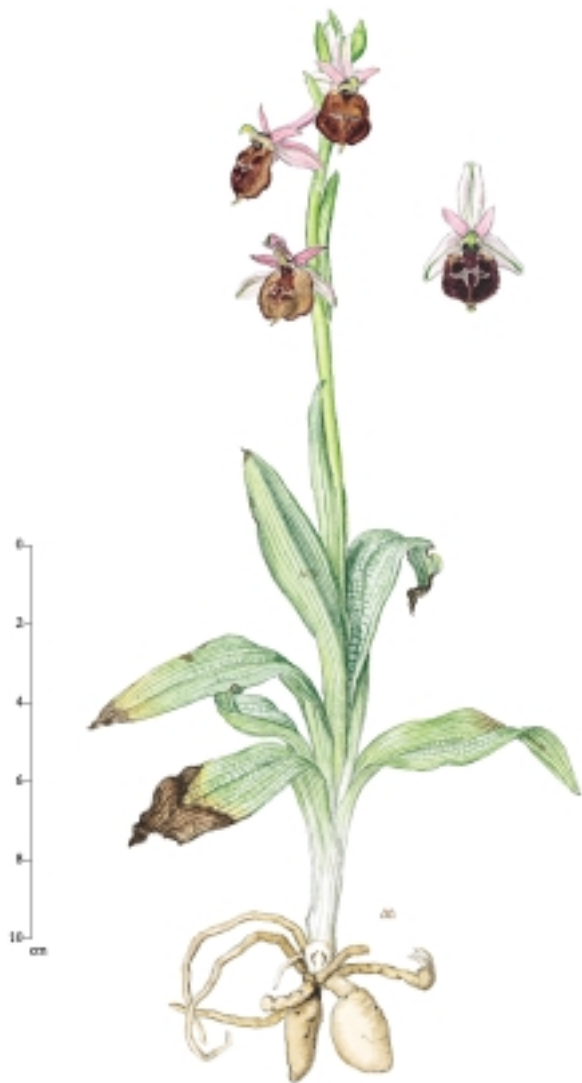

***Ophrys ciliata*** Bivona-Bernardi

(testo pag. 28 - areale pag. 197)

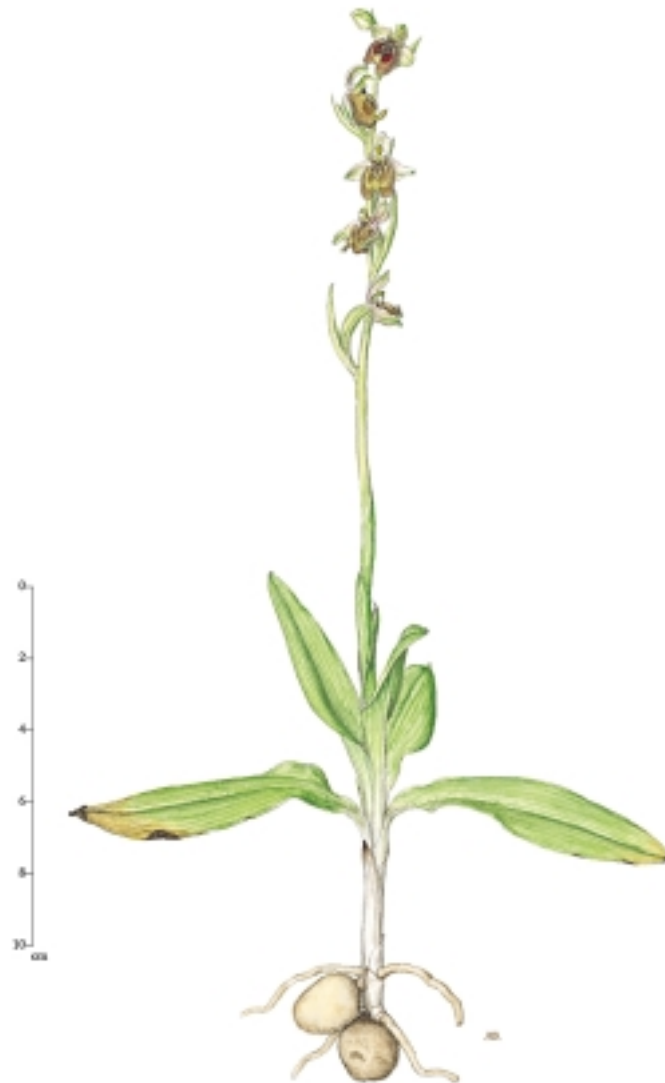

***Ophrys crabronifera*** Mauri subsp. *crabronifera*

(testo pag. 29 - areale pag. 197)

*Ophrys crabronifera* Mauri  
subsp. *sundermannii* (Soó) Del Prete  
(testo pag. 29 - areale pag. 197)

*Ophrys discors* Bianca in Gussone  
(testo pag. 30 - areale pag. 197)

***Ophrys exaltata*** Tenore

a. subsp. *tipica*

b. subsp. ***archipelagi*** (Gölz et H. R. Reinhard) Del Prete

(testo pag. 30 - areale pag. 198)

***Ophrys fuciflora*** (F. W. Schmidt) Moench

a. subsp. ***fuciflora***

b. subsp. ***candida*** E. Nelson ex Soó

(testo pag. 31 - areale pag. 198)
